Roger Rutan, Vice President, Marketing & Business
Development for Timber Products Company.**

He has been with the firm for 12 years. In this capacity he is responsible for the company's overall marketing strategy and for marketing each of the company's product lines. He oversees the company's many environmental initiatives ranging from their forestlands, to their mills, to customers education. Mr. Rutan holds an MBA from the University of Oregon.

Mr. Rutan is an active member of a number of wood products industry associations which include, in part, the Kitchen Cabinet Manufacturers Association, American Forest and Paper Association, and the Hardwood Plywood and Veneer Association. He is a frequent speaker on green building and wood certification programs. He serves on the LEED Wood Sub-TAG which is charged with advising the program's leadership on wood related issues. In the past he has served as the Chairman of the Sustainable Forestry Initiative Marketing Committee.
