### ...and what it means to AWI Manufacturing and Supplier Members

**Panel Presenters:**

**Greg M. Bednar**

CSI, CDT, AWI National Chapter Development Services

**Joe Binder**

President of Chicagoland Finishing Materials  
Past President Chicago Chapter AWI

**Tom Gleason**

President of Gleason Woodwork, Inc.  
AWI National Chapter Representative

**Paul M. Kelly**

President of Barsanti Woodwork Corporation  
Current Vice-President Chicago Chapter AWI

The panel recently participated in an AWI National sponsored meeting 'Speakers Bureau Training Workshop for the Architectural Woodwork Standards 1st Edition held in Falls Church, Virginia. The new standard will replace the current Architectural Woodwork Quality Standards 4.0 Version 2.0 as a North American Standard and merges both Canadian and California Standards for use in both the CSI, ALA and AIA Community. The new standard will be published within the next six months.

**TOPICS for Presentation**

- What is the new standard?
- How does it compare with the old standard?
- How will it affect Manufacturing Standards?
- How will it affect Suppliers in the marketplace?
- Is there a way to review and have input on the new standards?
- How will the new standard be promoted to AIA, ALA and CSI?
