DATE & TIME: Wednesday, May 5th from 3:00PM – 4:00PM CT

LOCATION: ONLINE!

RSVP: Register by May 4th | No late RSVPs will be accepted

THERE WILL BE A 50/50 SPLIT THE POT BETWEEN THE WINNER AND AWI EDUCATION FOUNDATION.

QUESTIONS WILL BE A MIX OF GENERAL KNOWLEDGE AND WOODWORKING TRIVIA.

\$20
PER MEMBER

You will receive the YouTube live stream link upon registration!

You will hear and see your host in the YouTube Livestream, but you will submit your answers for the trivia game via the interactive website.

You will need at least a computer (laptop or desktop) to play - you'll want to have the YouTube video open so you can see & hear your host while also joining the online interactive trivia game via the other link at the same time.

The YouTube Live video will be up and running by 3:00PM (Central) and we plan to begin the game no more than 10 minutes later.

We recommend joining YouTube Live from a computer (or smart TV with the YouTube app!) and joining the online trivia game from your cell phone. This way multiple participants can play from one house/office with only one computer/TV - each playing from their own phone!
